DECLARATION OF NATIONALITY
MOORISH SCIENCE TEMPLE OF AMERICA

This Declaration will affirm that Brother Michael Todd Ricks-Bey is a natural born Muur with the Reincarnate Temple System of Muurs, and is a Member of the Moorish Science Temple of America at Chicago, Illinois Republic, Washitaw Nation of Muurs. The specific purpose of this Divine and National Movement, founded by our Prophet Noble Drew Ali, is to uplift, fillen humankind, and to teach those things necessary for American Nationals [non-Fourteenth Amendment] of the Indigenous Washitaw Nation of Muurs. This Declaration derives its power and authority from the Book of the Seven Seals, The Moorish-American Koran, written by our Prophet Noble Drew Ali, Mohammed III Reincarnate. The mandate of this Declaration is to promote the teachings and sacred Principles of Love, Truth, Peace, Freedom and Justice.

Officers and/or Members who benefit under this Declaration must hereby pledge themselves to act all times in obedience to the organic American Constitution of 1789 and the Commonwealth of Virginia, and the Republic for which it stands. The Home Office in Chicago can at any time suspend, revoke or take away this Declaration of Nationality, if in the judgment of our Ambassador, Ravanna Sanders Bey, and/or the Grand Council for the Reincarnate Temple System of Muurs at Chicago, can show cause that Brother Michael Todd Ricks-Bey has violated the laws of the organic American Constitution and/or the Principles of LTFPI. IN TESTIMONY WHEREOF, I, Ravanna Sanders Bey, have herunto subscribed my name and affixed the Seals of the Moorish Science Temple of America and the Washitaw Nation of Muurs [Empire Washitaw de Dugdyahmoundyah] hereto.

Incorporated in the State of Illinois in 1926, this Temple is the oldest and original Moorish Science Temple. This Temple is the only Temple registered with the United States government [EIN: 56-2473981]: Interior, Commerce, Justice and State Departments. It is a Religious Corporation registered with the Secretary of State, State of Illinois [Tex Exemption No.: E 9929-0647-1, Illinois Department of Revenue]. The Moorish Science Temple of America is the "religious" component of the Washlaw Nation of Mmurs: an Indigenous Nation first Acknowledged by Spain in 1797 and then by the United States in 1802 [U.S. Land Grant 923]. The Nation's religious status is protected under Articles III & VI of the Louisiana Cession Treaty [8 Stat. 200 (1803)] Full Faith and Credit: Article IV, Section 1, United States Constitution [28 U.S.C. § 1730].

All Christians, Protestants and Catholics are Not the same, and likewise, all Jews and Moslems are Not alike. Ismaili Islam, the sacred way of the Mmurs, is Not the same as Sunni or Shiite Islam. The world view of one is Not one and the same as the other. Sunni is Not Shiite, and Ismaili is Not Sunni nor Shiite. Note the conflict [war] between Iraq and Iran [1980-1989], and the Civil War between Sunni and Shiite in Iraq today. All' family of Mmurs, descended from the Fatimids of North Africa and the Sheriffs of Morocco, are Washlaw.

Therefore, if there are several groups of Muslims [as their magy: Arabs, Turks, Persians, or Afghani], it follows that one group may not practice the same form of Islam as the other. In fact this is the case. Citizens of the Washlaw are Ismaili Islamic adherents who meet among themselves and practice their own form of Islam. All Mmurs do Not practice the same form of Islam. Ismaili, also known as "Sevener's", is the Islam of the Mmurs.

The Mmurs under the 1926 Charter are representatives of the original Moorish Science Temple of America, for we are Citizens of the Washlaw Nation of Mmurs and original members of Chicago Moorish Temples within the Prophet's biological Washlaw Family of Mmurs. We are Washlaw Mmurs born of the organic Washlaw Nation of Mmurs. We, the Washlaw Nation of Mmurs, have our Religious Service on Fridays from 8:00 PM until 10:00 PM and Sunday School from 9:00 AM until 1:00 PM. Wednesdays Adapt Meetings are Private.
